The facilities have been designed keeping in mind the flexibility needed to produce a continuous stream of innovations in education and research designed to anticipate and meet the evolving needs of business/ industry

The Institute is located at a prominent location with the neighbouring of corporate houses connected with all the modes of transport within Mumbai. The institute's courses are approved by AICTE and affiliated to University of Mumbai.

The management programme taught in the institute is designed with a clear vision of what the future holds for business and industry. It is a highly integrated programme that strongly emphasizes the challenges facing the business not only in India but also globally. The interactive learning environment at the institute equips its students with rigorous analytical tools for effective managerial decision making. The institute believes in providing quality teaching by experts skilled at integrating the cutting edge of theoretical knowledge with practical applications

## Vision

To become the premier and leading management institute by creating professionals par excellence with comprehensive business education, combined with values, social ethics and undertaking research towards national and international issues.

## Mission

Our Mission is to create, both at individual and organizational levels, a cutting edge management capability and:

- To contribute towards knowledge generation and dissemination.
- To promote ethical and value based learning.
- To foster the spirit of national development
- To develop global competencies amongst students.
- To nurture creativity and encourage entrepreneurship
- To enhance employability and contribute to human resource development
- To promote health and wellness amongst students, staff and community
- To instill sensitivity amongst the youth towards the community and environment
- To produce thought provoking leaders for the society
- To foster a worldview that promotes diversity, inclusion, and ethical participation in the interconnected world of business
- To forge meaningful partnerships with industry, academia, government, and social sectors such that sustainable businesses are built fulfilling the collective needs of various stakeholders and the society
- To promote a culture of academic excellence benchmarked against the best institutions in its peer value-based education
- To have best global practices.

## Dean's Message

**Dr. Rupali More**  
**Dean, SIMSR**

**Dear Students,**

**Welcome to SASMIRA's Institute of Management Studies and Research, Mumbai - your journey to excellence, creativity, and innovation. With our commitment to holistic development of our students, we are sure each of you will be great managers. Together we also work to promote a campus climate that is respectful, civil, supportive, and safe. These core values allow us to provide a living and learning environment where we can all pursue our dreams and reach our highest potential.**

**SIMSR has adopted a mission and vision for the institute according to which we want to become a leader among the institutes established in the new millennium. We have made a stunning beginning but there is a long way to go but I am sure, with the active cooperation of all our stakeholders, students, faculty, staff, employees, collaborators, parents of the students, governmental organizations, media and public at large, we will be able to fulfill the motto of SIMSR.**

**You are entering in to the arena of education when the future is full of opportunities and promises. On the bedrock of our core values, we will continue to scale up over the next decade to build a management institute of international repute.**
